

# Introduction to the Special Issue on EDM Journal Track

Michel C. Desmarais and Mykola Pechenizskiy

## INTRODUCTION

The EDM Conference was held in Madrid, Spain, this year, from June 26 to June 29, and it held for the first time a Journal track which was edited by Michel Desmarais and Mykola Pechenizskiy. The Journal track allows papers submitted to JEDM to be presented at the conference. A summary is available in the proceedings, and the full text is published in the Journal.

Three submissions made it on time to get acceptance for publication and be presented at the conference. We are pleased to publish these papers in this issue.
